PROFESSIONAL EXPERIENCE

Freelance

Jan 2021 – Present

I have carried out 3D/Editing/Video Editing projects for various individuals. I have therefore adapted to constraints such as Motion Design or 2D Animation.

Internship at a Versus Store

Jan 2019 – Jan 2019

Versus is a global comparison platform, providing unbiased comparisons across various categories: from tech products to cities. By providing accurate information in an easy-to-visualize way, I labeled a lot of products and learned how some computer components worked. I also assembled a PC.
